University of Rajasthan

WHY B.Ed. in Special Education(LD)?

Do you think you are someone who -

- ◆ Wants to help children in the classroom with disabilities?
- ◆ Can empathize and understand the needs of those who get neglected in mainstream education?
- ◆ Is seeking opportunities in mainstream and special schools in Pvt. and Govt. sector in India and abroad?

If yes, then this is the course for you.

2 in every 40 students of all public schools are identified as having a Learning Disability. Under the National Education Policy 2020, knowledge on how to teach children with special needs will be an integral skill taught to all future teachers.

The Central Board of Secondary Education (CBSE) had already made it mandatory for all affiliated schools to appoint a special educator. This directive has also been necessitated due to strict guidelines of the Right to Education Act (RTE).

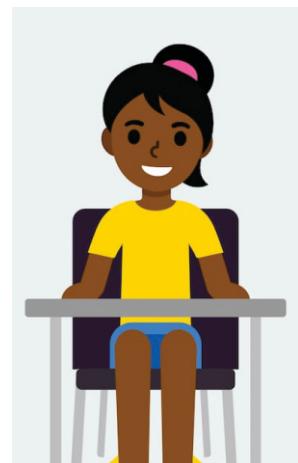

WHAT is B.Ed in Special Education(LD)?

This two-year B. Ed. Special Education (LD) program prepares human resources to acquire knowledge and develop competencies and skills to impart education and training effectively to children with disabilities. The course can be pursued after graduation in any stream. Learners of this course gain all necessary knowledge, attitude, and skills to effectively teach children/students with certain learning disabilities, especially in schools.

WHAT makes this course unique?

Disha Resource Center for Multiple Disabilities is Jaipur based not for profit organization, founded in 1995 with a vision to educate, enable and uplift children and young adults with disabilities. It has the distinction of being the first organization in Rajasthan to provide varied and comprehensive rehabilitation services under one roof. For over 25 years we have been working with the single aim of paving a path for our children to become equally participating voices in mainstream society.

- ◆ First-ever and only course of its kind introduced in Rajasthan by Disha
- ◆ Technology-based teaching methods
- ◆ Highly skilled and qualified faculty
- ◆ Practical, hands-on experience with students with a learning disability in a world-class LD school
- ◆ Aligned with National Education Policy 2020

Q1) What is the delivery mode of the course?

This course is approved as a regular full-time course however due to the Covid situation the program is being taught in online mode till further guidelines given by the government. We will shift to a face-to-face mode as and when the pandemic recedes and as per State Government's guidelines.

Q2) Attendance Criteria

We are particular about the quality of education we impart and the future of our students hence, the attendance criteria is very strict. As per the state policy, 75% attendance in each theoretical subject and 100% attendance in practicals is mandatory.. Absenteeism on medical grounds can be considered on providing a medical certificate. Students will be allowed to appear for the examination provided they satisfy the requirement of attendance and satisfactory completion of practical work.

Q3) What is the duration of the course?

It is a two-year long, divided in 4 semester course. Our semesters run from July-Dec and Jan to May

Q4) Can I do another course along with B. Ed. Special Education (LD)?

Since it is a full time course, hence students can not enroll for any other course.

Q5) When do exams take place?

Students have to appear for internal and external exams before the end of every semester which are usually held in the months of June and December. Students will not be allowed to appear for external University Examination till the time he/she clears internal examinations and related practical work.

Q6) Can exams be taken online?

It will depend upon University and State Government guidelines.

Q7) Does the course provide practical knowledge?

Disha foundation believes in providing enriched experiences to the students. The institute campus also houses Disha School for Multiple Disability and The Jaypore School with the combined capacity of approx 200 children with special needs and learning disabilities. All B. Ed. students are regularly placed in the schools where they get hands-on experience in teaching children and get exposure to different management skills.
